H.E. Prof. Dr. Ömer BOLAT

Minister of Trade

Ankara / Republic of Türkiye

Subject: 2nd Commercial Handicraft Exhibition of OIC Member States, 18-28 December 2025, Casablanca – Kingdom of Morocco.

Excellency,

In the framework of its efforts to strengthen trade and investment among the OIC Member States, the Islamic Centre for Development of Trade (ICDT), in collaboration with the Moroccan company Atelier Vita, is organizing the 2nd Commercial Handicraft Exhibition of OIC Member States, to be held from 18 to 28 December 2025 at the "International Corporate Events Center" (ICEC – Casablanca), Kingdom of Morocco, concomitantly with the Africa Cup of Nations (CAN 2025).

This exhibition will bring together key stakeholders in the handicraft sector from OIC Member States (Artisans, service providers, professional associations, producers of local specialties, leather goods and jewelry, calligraphy and graphic arts, textiles and tapestry, pottery...) who are seeking business and partnership opportunities. It will offer companies and sector stakeholders an exceptional platform to present their products in a professional environment, while promoting exchanges among artisans, leading OIC countries recognized for their expertise in handicraft, and financial institutions dedicated to support and facilitate both the commercialization of handicraft products and the advancement of intra-OIC trade and investment in this vital sector.

On the sidelines of the exhibition, a rich program of conferences and panel discussions will be organized to address the key challenges facing the handicraft sector, particularly those related to financing and support mechanisms for the commercialization of handicraft products.

On this occasion, we would be most grateful to Your Excellency, for any measures you may kindly undertake to ensure your country's participation in this major event, and for your support in disseminating this information among the national stakeholders concerned with the handicraft sector.
